

STREETLY HOCKEY CLUB

Code of Conduct

The aim of Streetly Hockey Club is to promote healthy participation in sport. It is hoped that everyone will play to the best of their ability and that teams are successful. However, we believe that it is more important to enjoy sport and play fairly.

The following Code of Conduct and Rules have been written to uphold the aims of Streetly HC and to help and protect all players, umpires, spectators and parents ('all individuals') involved in the playing of hockey regardless of whether it is in league games, friendly matches, or training sessions!

The club believes that it is important that its members, coaches, administrators, volunteers and parents associated with the club should, at all times, show respect, be encouraged to be open and to share any concerns or complaints about any aspect of the club with the coach or the appropriate committee member.

Each individual is accountable for his or her own actions. Whether you are playing, watching, coaching or umpiring any match, it is your personal responsibility to treat your own team, opposition players, coaches, spectators and the umpires with respect and consideration before, during and after the match.
